

Mission plan

Eco Mission 1

Energy Mission

Aim

To reduce the energy used at school and at home.

How does this link to your 'why'?

By reducing the emissions that are causing climate change, we are helping to care for God's world.

Actions and duration

We will take part in the 'Switch Off' campaign during the school year and encourage all families connected with the school to participate in Earth Hour.

How will you know if you are successful? How will you monitor it?
We will monitor throughout the school on our 'Switch Off' day and ask for responses from families if they taken part in Earth Hour.

Date explored in prayer.

Eco Mission 2

Food Mission

Aim

To raise awareness of food poverty and support our local foodbank.

How does this link to your 'why'?

God made our world for all of us. By trying to help those who are less well off, we are helping to make God's world fairer so we can all enjoy it.

Actions and duration

We will have an assembly about food poverty and establish a collection point in school for parents to contribute food items that can help support FairShare.

How will you know if you are successful? How will you monitor it?

If we are successful, we will be able to make regular contributions to FairShare.

Date explored in prayer.

Eco Mission 3

Waste Mission

Aim

To improve our recycling at school and home and litter pick.

How does this link to your 'why'?

Litter is making a mess of God's world. By recycling we will help to look after the world's resources and keep God's world beautiful so everyone can enjoy it.

Actions and duration

We will do a litter pick in our school grounds and in the local area to raise awareness about litter and improve our recycling facilities at school.

How will you know if you are successful? How will you monitor it?

We will regularly check our recycling facilities to count how much of each material is being recycled and will count how many bags of litter we collect.

Date explored in prayer.
