

MISSION PLAN

ECO MISSION	AIM	LINK TO 'WHY'?	ACTIONS AND DURATION	MONITORING AND IMPACT	DATE EXPLORED, IN PRAYER
Energy	To reduce our energy usage	We are helping to take care of all living creatures	We will monitor class rooms at break + lunch times twice a week	We will see less empty classrooms using electricity which will save energy.	Lent term.
Travel	To reduce our carbon footprint.	We are looking after our resources and the environment.	We will tell parents + staff in advance of the week. Once per term.	We will ask students how they are getting to school and monitor this after the week.	Lent term.
Waste	To reduce litter	God made the world to respect so we need to ensure we follow this.	Weekly litter picking and posters to encourage others to join in.	When litter picking we will see less litter and others joining in too.	Lent Term.
