

MISSION PLAN

ST JOSEPH'S MARKET HARBOROUGH

ECO MISSION

TRAVEL

AIM

Class Travel Competition

LINK TO 'WHY'?

Leave a world with less pollution and helps us to be healthier and more active.

ACTIONS AND DURATION

Each class monitors and records how children travel to school and how far.
End of half term prize for least miles driven, most walked and cycled ect. by class
End of Year prize for above and individual numbers & most interesting mode of travel.

MONITORING AND IMPACT

Mileage & modes recorded by classes to show how little we used cars & engines.
Domino effect would encourage a steady increase in walking to school.

DATE EXPLORED IN PRAYER

PENT 2

FOOD

House Group Food Waste Competition

Leave a world that wastes less and helps us to take what we need rather than what we think we want.

Each House Group gets a bin for Lunch time. At the end of each day the bags are weighed and recorded on house boards by Eco Warriors.
Number is tallied and revealed each week in celebration assembly. House groups can gain points & Eco Trophy for having the least waste each week.

Weights show how much we bin with a challenge to have less waste the following week.
Domino effect would encourage a steady decline in waste.

PENT 2

NATURE

Create a "Forest Church"

Leave a legacy space for students who come to St Joseph's after us.

LENT TERM
• Create the "Forest Church" space
• Home Work activities to create artifacts for prayer:
◦ Rosary, Cross, Altar, Bible
PENT TERM
• Use Space for CoW

Contributions would come in for artifacts made at home.
Space would be regularly used in spring & summer months.

PENT 1
