

Mission plan

Eco Mission 1

How does this link to your 'why'?

We want to care for our world.

Aim To reduce our energy consumption

Actions and duration

- * Light monitors to switch off.
- * Regular Checks to ensure lights/appliances are off.

How will you know if you are successful? How will you monitor?

- * We will notice a reduction in our electricity use.

Date explored in prayer

Eco Mission 2

How does this link to your 'why'?

We want to reduce wasted food transport mileage.

Aim To grow our own produce

Actions and duration

- * We will clear, re-plant & care for our veg boxes & herb garden

How will you know if you are successful? How will you monitor?

- * We will have produced food for the kitchen to use.

Date explored in prayer

Eco Mission 3

How does this link to your 'why'?

We want to reduce our pollution of the world.

Aim To deliver a sustainable travel week

Actions and duration

- * We will encourage as many children as possible to travel to & from school in a sustainable way.

How will you know if you are successful? How will you monitor?

- * We will survey travel methods before & during compare numbers.
